What's a Wiz Kid?

A Wiz Kid is a young person between the ages of 8 and 18 who has been trained to perform in a variety of skill areas.

Wiz Kids can sing, act, dance, juggle, ride unicycles, and perform as clowns and magicians.

Wiz Kids program computers, build Web sites, work in video and audio studios and produce CDs and DVDs.

Wiz Kids learn to run their own corporation, book shows, publicize events, plan tours, and perform in public shows all over the East Coast and Canada providing entertainment for less fortunate children, churches, libraries, and schools.

Wiz Kids are good students in their schools, and if not, they receive tutoring to bring up their grades, because education always comes first with the Wiz Kids.

Wiz Kids are well rounded youngsters who are

better prepared to meet life and take charge of their own opportunities and futures.

How to become a member...

Membership in The Wiz Kids, Inc. is by application. You will find an application attached to this flyer (on the right). Fill it out and bring it with you to your first meeting. If you have the \$12 yearly dues, we will accept it at that time and give you a receipt.

You will also need to have your parents sign a photo release permission slip. You'll find that on the back of the application. Because we are a performing arts group, we take lots of pictures of our members in action and use them to help get new shows and publicity to raise funds for travel, and so on.

Once your application has been accepted and your dues paid, you are still not a full member of the Wiz Kids until you have successfully performed in public at least three times. Then the other members will vote to include you in the performing troupe of Wiz Kids and you will receive your Wiz Kid Tee Shirt with your name or nickname on it.

Who pays for all this?

The Wiz Kids, Inc. is a non-profit, charitable, performing arts organization as described in the Internal Revenue Code in sections 501(c)(3).

In other words, we take care of ourselves.

We receive most of our funds from the general public at the shows we produce, and from selling our video DVDs and music CDs.

Businesses often give us donations in exchange for performing for their employees.

We join with other non-profit organizations to co-produce fund-raising shows.

Sometimes foundations give us matching grants to help us buy the equipment we use in our training programs.

But each Wiz Kid member is also asked to pay dues of \$12 per year (or \$1.00 per month) as his or her share of our funding efforts for their benefit.

Starting Out

Each new member of the Wiz Kids is taught skills in six main areas: Magic as a Performing Art, Clowning, Juggling, Unicycling, Music Keyboard, and Digital Photography (or Videography).

Each Wiz Kid is expected to at least *try* to learn the fundamentals of these six focus areas, with special accommodations made for members who have disabilities or physical or mental challenges.
